ORDER:

The Collector of Chingleput and Madras have requested instructions on the question of licensing partners of old firms who have now applied for licences to deal in mill cloth. The Government direct that the following principles be observed in the matter of licensing partners of old firms:—

(1) Licences may be issued in the discretion of the Collectors to partners of old firms if there is need to have more licensees at the place and if the quota of cloth to other dealers is not thereby affected, but a partner of a firm which has already been licensed should not ordinarily be selected unless no suitable applicant is forthcoming and should not be accorded preferential treatment even as against any new comer.

(2) when an old firm is dissolved all partners may be considered for a licence provided that

(a) the partnership stood dissolved on the date of re-introduction of control and

(b) consideration is confined to those partners as had submitted applications in response to the original invitation of the Collectors.

(3) If all eligible old licensees had been enlisted, the cases of partners of a firm may be considered along with those of new comers.
